Departure Times

- 6:30 p.m. for an 8:00 p.m. performance
- 12:30 p.m. for a 2:00 p.m. performance

We recommend you arrive no later than 15 minutes prior to the bus departure time in order to find parking, board the bus and find a seat. Fort Worth Opera will show a "pre-performance lecture" DVD created specially for our bus patrons that gives a behind-the-scenes look at the opera being performed that day.

About the Busses

We've contracted with Dan Dipert Coaches for our busses. You will be riding in a 56-passenger luxury motorcoach that includes a restroom, individual reading lights and comfortable reclining seats. A photo of one of the coaches is at right for your reference.

Notes from NorthPark Center

- NorthPark Center (aka NorthPark Mall) asks that you only park in the designated area marked on the top right of the map (see reverse side).
- NorthPark Center assumes no liability for any damages that might occur to your vehicle while it is parked on the premises, including loss by theft or vandalism.
- NorthPark Management suggests that valuables be removed from vehicles prior to departure and that all vehicles be locked.
